

Description of Role : Business Analyst

Massar Capital is a discretionary macro manager founded in 2015, currently managing over \$1.0bn in assets. Massar was awarded top Global Macro Fund by Investors Choice Award and Best Macro Fund under \$1bn by HFM US Performance Awards two years in a row.

This is an exciting opportunity to join a fast-growing hedge fund with a highly collaborative culture. We are currently looking for a Business Analyst that will work under the supervision of the Director of Business Strategy and be involved in tasks within Compliance, Investor Relations, Finance and Operations departments. This is an excellent opportunity for candidates looking for cross-functional exposure within a market-leading hedge fund.

Responsibilities: (specific responsibilities will include but not be limited to)

- Review KYC (Know Your Customer) and onboarding documentation
- Review contracts that arise in the course of private business dealings (real estate investments, private equity investments, etc.)
- Manage and monitor internal Employee Compliance
- Evaluate marketing material and investor engagements for compliance with regulatory requirements
- Prepare and present Investor Relations reports for internal committee review
- Own the database contribution process within the Marketing department
- Support ad hoc initiatives within the Business Strategy department

Qualifications & Experience:

- Undergraduate degree required (Business Degree preferred)
- 1-3 years of experience in hedge funds, asset managers, capital markets or broker-dealers preferred
- Demonstrated business judgement and strong work ethic
- Capable of collaborating with individuals of varying levels of seniority across the organization
- Previous experience interfacing with external parties
- Strong organizational, interpersonal and communication skills
- Desire to learn and grow within the organization

Compensation Package:

- Competitive compensation commensurate with level of experience.
- Comprehensive benefits package including medical, dental, vision, as 401(k), life insurance

Interested candidates should send their resume to business@massarcapital.com
